PATHÉSCOPE SALON AT WANAMAKER'S

In this beautiful Salon, at the great Wanamaker Stores, the PATHÉSCOPE is daily demonstrated, in an appropriate environment commensurate with its own superlative excellence. It is pronounced by every delighted visitor—

"The Companion Entertainer to the Talking Machine"

To those who have not yet seen this profoundly interesting and absorbingly entertaining Instrument, we extend a cordial invitation to call at the Pathéscope Salons, with every assurance that you will agree with the prominent authority who pronounced it—

"The Greatest Instrument for the Promotion of Human Knowledge Since the Invention of the Printing Press."

THE WORLD FROM YOUR ARM CHAIR!

The owner of a *Pathéscope* need not visit distant parts of the world, but can bring them to his own home.

Like circulating libraries, the Pathéscope Film Exchanges, being established in all of the principal cities, enable the owner of a Pathéscope to exchange his reels *as often as desired*, by the payment of a small fee to cover depreciation and the cost of maintenance of the Exchange.

Annual Exchange Subscriptions varying from $50 to $100 per annum, enable the subscriber to avail himself of every class of subjects from Victor Hugo's masterpiece "Les Miserables" in twenty reels to a short Comic, or an Educational, Dramatic, or Travel scene.

By this means a continuous exhibition of fresh interest is always available for every owner.

The Pathéscope Exchanges contain subjects to suit every taste, every mood, any age and all occasions. These Exchanges are being continually augmented by the addition of new and interesting subjects.

The owner of a *Pathéscope*, like the fabled possessor of Aladdin's Lamp, has only to express his wishes to the *Pathéscope Exchange* and they are immediately gratified.

Would you see the natives gathering "The Rice Harvest in Japan," "Bear Hunting" in the Arctic, canoeing through "The Magdapis Rapids," "Whale Fishing" with a harpoon-gun, or "Wolf Hunting" with dogs in Russia?

Would you observe the life history and transformations from the larval form to the mature and resplendent "Dragon Fly?"

TIMELY SUBJECTS:
The Twentieth Chasseurs.
Military Gymnasium at Joinville (in two reels).
Belgian Cavalry on Cross-Country Ride.
French Army on the March.
Flight in Dirigible Over Lucerne.
How to Become a Sailor.
The Rhine from Cologne to Bingen.

Would you watch the rhythmic pulsations of the exquisite sea "Anemones" in their natural element?

Perhaps you prefer a dramatic "thriller," or a comedy "sketch," or a gymnastic "feat," or a vaudeville "stunt."

You can be a spectator at the Carnival of Venice, or the Lord Mayor's Procession, or a Presidential Inauguration.

You can watch a Foot Ball Game, a Balloon Ascension, or an Automobile Race.

An Indian Juggler, an Arab Sorcerer, or a Serpentine Dancer are equally at your service.

As a source of universal interest and profound appreciation, the *Pathéscope* is without a rival. One never grows tired of the Motion Picture because of its continuous novelty, its marvelous versatility, its infinite variety, "Always something new."

SPECIAL ANNOUNCEMENT—"LES MISERABLES"

There will be given between the Musical Numbers of the regular afternoon concerts in the Auditorium at Wanamaker's, a Motion Picture Exhibition of five reels selected from the marvelous *Pathéscope* Photo-Dramatic reproduction of Victor Hugo's deathless masterpiece *"Les Miserables"*. This is the same production, arranged for the *Pathéscope*, which daily entranced thousands during the past Winter at Carnegie Lyceum. It is only one of the hundreds of subjects available to every owner of the Pathéscope.

Incidental music specially arranged by Mr. Alexander Russell, Concert Director of the Wanamaker Auditorium.

The Pathéscope offers the only complete and perfected product and service covering the entire range of Cinematography. We furnish a simple and perfect Camera, develop and print films, supply a safe and simple projector, and furnish an ideal and convenient Exchange Service of the World's best subjects; all at the minimum of expense consistent with the quality of the product.

Always on Exhibition at the

Pathéscope Salon, Aeolian Hall

or write for Catalogue and Revised List of Exchange Subjects to WILLARD B. COOK, Mgr., SUITE 1632-5, AEOLIAN HALL, N.Y. City.
Agencies in Philadelphia, Baltimore, Washington, Pittsburgh, Buffalo, Denver and Seattle.
Responsible Representation desired elsewhere.

An exceptional opportunity for Talking Machine Dealers to add a PATHÉSCOPE DEPARTMENT and FILM EXCHANGE, or for Enterprising Men with some capital to establish a Permanent and Profitable Business of their own.
Write for Agents' Circular.

"Dirt from my face!"
After a morning's play on the dusty tennis court, motoring, or walking, a surprising amount of dirt has settled on the face. When you get home, gently massage with CREME DE MERIDOR, wipe with a towel—and presto! the dirt is off the face and on the towel. CREME DE MERIDOR is white, pure and greaseless. Its use improves the complexion by thoroughly cleansing and stimulating the pores of the skin.
It will not grow hair—and contains no harmful ingredients.

PARKER'S HAIR TREATMENT
Special care of the hair at the seashore or mountain should be taken during the summer; neglect may lead to serious complications. My hair treatment stops falling hair quickly. It feeds and strengthens the hair roots — makes the scalp healthy, puts vigor into scanty, dry, brittle, faded hair, gives it splendid gloss and makes it abundant and healthful.

JANE COWL SAYS
Dear Mr. Parker:—Let me thank you for the most beneficial treatments my hair has ever had. All good wishes to you.
HERBEX makes the HAIR HEALTHY, keeps the scalp clean, cool, making the hair soft and fluffy. 50c bottle. Ask for Book, "Healthy Hair."
